

Neal Schwartz is principal of Schwartz and Architecture (SaA), a San Francisco based design firm established in 1996. Recent awards for design include a 2009 Boston Society of Architects Award for the house Crook|Cup|Bow|Twist, a 2008 California Home & Design Achievement Award for the Wisconsin Street House, and a 2006, SFAIA Merit Award in Interior Architecture for the RayKo Photo Gallery.

Schwartz has been actively involved in teaching for 15 years, most recently as an associate professor in architecture and coordinator of advanced studies at the California College of the Arts (CCA), where he currently coordinates the Master's degrees thesis program.

SaA Resume

Neal Schwartz, AIA
